

SPECIAL EVENTS

**Supplemental Application For
EVENT COORDINATORS**

To All Event Coordinators:

The City of San Marcos Marshals Office is eager to assist you with the coordination of your special event. This information packet is designed to help you understand and comply with all City rules, regulations, and ordinances related to the production of a special event. It is the responsibility of the Event Coordinator to review all information contained in the packet and to comply with all rules, regulations, and ordinances.

The City of San Marcos Marshals Office requires that an application be filled out and submitted to the Facility/Events Coordinator at least 30 days prior to the event. The purpose of this application is to review the content and focus of your event, how it will impact city services, patrons, and ultimately to ensure that participants enjoy a safe and well-planned experience.

If your event is less than a month away, based on its content and nature; you may or may not be permitted to proceed. Regardless, please submit the application for review.

The City of San Marcos Marshals Office Department also requires a post-event evaluation following the event to review and make recommendations for future events.

As an Event Coordinator, you are undertaking a large responsibility for the production of your special event. Remember that advance planning will help ensure that your event runs smoothly.

Sincerely,

Kenneth E. Bell

TENTS

Any tent over the size of a 10' x 10' will need a permit from the COSM Building Inspection Department before erection. After tents are set up and lights have been installed, a physical inspection by a Building Inspection and/or Fire Marshal representative is required.

A Flame Retardant Certificate is required for each tent.

Flame Retardant Certificates can be faxed to the Marshals Office at 512-393-8428.

Tent Vendor: _____ Phone #: _____

Flame Retardant Certificate can be attached to this application.

ELECTRICAL REQUIREMENTS

The need for electrical service for your event must be carefully considered when planning your event and addressed very early in the planning stages. The cost to design and install electrical services for your event is the responsibility of the sponsoring organization.

A licensed electrician must perform all electrical work and be permitted through the Development Services – Building Inspection 512-805-2630

The sponsoring organization is responsible for paying all permit fees.

The following items must be considered when speaking to your electrician:

- How many food vending booths will you have that require an electrical source? A list of ALL electrical items to be used in each booth must be provided to the electrician in order to provide adequate electricity to prevent breakers from tripping. This includes microwaves, crock pots, grills, hot plates, etc.
- If you are having any live or recorded amplified music, a stage plot indicating the amount of electricity required must be provided to the electrician. Live bands can consume large amounts of electricity. Improper planning for electrical needs could cause a total power loss.
- Do you require electrical service and lighting inside your tents?
- Electrical extension cords are not permitted to touch the ground in any area. Plan ahead to ensure that you have enough outlets. If you do require the use of an extension cord, make sure that it is in good condition. Extension cords must be grounded, free of splices and cracks and be UL approved.

Will your event require any of the previously mentioned electrical sources? Yes___ No ___

STREET SIGNS AND BANNERS

Street signs are an effective way to advertise your event and direct participants to designated parking areas. When you choose to use street signs, please be aware that you will need to obtain permission from the appropriate authorities; this will include the City of San Marcos and/or the Texas Department of Transportation depending on the location(s) of the sign(s). The San Marcos Utility Department performs installation of overhead street banners.

Applications for permits are required to be filed at least 10 days in advance of event

Request to place banners on any city property can be place on the premises no more than 1 (one) day prior to the event. The event being displayed must take place at that facility.

Signs and banners can be assisted through Development Services at 512-393-8230

Will your event require banners or signs? Yes _____ No _____

Attach a copy of permit or scope of work authorized by the city.

RESTROOM FACILITIES

Depending upon the size and location of the event, the addition of portable toilets may be necessary. The following guidelines will help you with the coordination of portable toilets for your event.

1. An adequate number of toilets must be provided depending upon the number of participants expected and the duration of the event. Other factors that will determine the number of toilets needed include the ratio of male to female participants and the availability/consumption of alcoholic beverages at the event. Contact your vendor for recommended number of facilities.
2. ADA approved accessible toilets must be provided.
3. Portable toilets must be located on asphalt, firm surface that has adequate water drainage.
4. Plans for a clean-up crew are required. Cleaning crews should be working throughout the event. This includes the time during the event, at the close of each evening (multiple day events), and at the conclusion of the event. Failure to adequately clean

the area may result in some or all of your deposit being used as a charge for cleaning services provided by the COSM.

5. Event sites must be cleared of all ground trash immediately following the event or as specified by the Marshals Office Department. Dumpsters must be removed no later than 24 hours after the event has ended.

TRASH AND LITTER REMOVAL

Clean well-kept grounds are important to the safety and satisfaction of the event participants. Large numbers of trash containers placed throughout the event site in high traffic and eating areas will help to minimize the amount of trash that ends up on the ground. Then used of rental dumpsters is the recommended method for disposing of trash. The following rules and guidelines apply to trash and litter removal:

1. The sponsoring organization is responsible for scheduling and paying for dumpster and trash containers.
2. Dumpsters must be placed on cement or asphalt.
3. The number of dumpsters necessary will depend on the number of participants at the event, the amount of food and drink available, and the actual site of the event. Discuss these items with your dumpster provider; he/she should be able to help you determine the actual number of dumpsters required.
4. Plans for a clean-up crew are required. Cleaning crews should be working throughout the event. This includes the time during the event, at the close of each evening (multiple day events), and at the conclusion of the event.
5. Event sites must be cleared of all ground trash immediately following the event. Dumpsters brought in must be removed no later that 24 hours after the event has ended.

PARKING

Parking for your event will depend upon the location and expected attendance. Public access areas are available when legally placed and parked. Parking conditions must be considered for any event. Preparations and traffic control is the responsibility of the event coordinator. This issue has the largest potential for problems at any event. Regardless of any permit issued, the Police Department is required to enforce all parking restrictions on public roadways and ensure emergency access to private property within the city at all times.

Absolutely no vehicles or campers are allowed on grass areas.

LIVE MUSIC

Live, amplified music is permitted within the rules and limitations of local and state noise ordinances. Again, regardless of any permit that may be issued, the Police Department is

required to respond and investigate noise complaints from music or crowds. Festival/Event permits do not allow violations of any local or state code.

I attest that the information submitted is true and correct. Any misstatement, omission, or incomplete response will be grounds for revocation or permit for this event. I am authorized by and for the above organization(s) to represent the listed groups in this matter for the purposes outlined above.

I understand that this is an application for review from the Fire Marshals Office to hold a publicly accessible event on private property. I understand this application does not grant permission to move forward on any planned event. I understand that only a properly issued permit – in hand – will constitute a planned, permitted event. City departments (such as food, temporary structures, etc.) will require outside review. I understand that successful completion and approval of this application, as well as, the inter-departmental review notification process is required before an event permit is issued. I understand that all permits and required paperwork must be completed and turned into the Marshals Office Department at least 10 days prior to the event. Failure to do so can result in the cancellation or postponement of my event.

I understand the provisions of any application and permit, if issued, must be adhered to in its entirety. Failure to follow the MINIMUM requirements in this application and/or permit is a violation of ordinance. I understand that these events are the responsibility of the property owner/manager and that possession of a permit does not reduce my liability or responsibility to maintain a safe and healthy event.

By my signature, I am acknowledging that I am the responsible party in charge or duly authorized representative of the event. I also understand that I/company must abide by all of the rules and ordinances of the City of San Marcos and State law. All of the information listed in this application is complete and true. I understand that at any time conditions are unsafe or not in compliance with the listed conditions or conditions on-site become unsafe, that any permit, if issued, can be revoked by any agent of the City of San Marcos. A complete application is not a permit, nor is it conditional that a permit be issued. I/company shall maintain our own insurance and coverage assuming all liabilities potential and known. I also understand that this application is not inclusive and other permits may be required by other departments and entities.
